## **Please Join us at the 2004 Purdue Pest Control Conference**

Meth-O-Gas® Applicator training will be offered at the 68<sup>th</sup> Annual Purdue Pest Control Conference on Wednesday, January 7, 2004 at 5 pm – 7 pm in Stewart Center, Room 314.

Check the expiration date on your Great Lakes Meth-O-Gas® Applicator Training Card. If your training has expired, attendance at this training session will qualify you to continue purchasing Meth-O-Gas® products.

We look forward to seeing you in January!

## **Ag Products Website Updated**

Please visit our updated Ag Products Website at [www.glcc-agproducts.com](http://www.glcc-agproducts.com). Updates include addition of past issues of the *Initiatives Newsletter* and *Fumigation Fax* and information on the EPA Quarantine and Pre-shipment (QPS) final rule. The revised cylinder return procedures and policies can be found behind the Container Returns link and the Meth-O-Gas® Applicator Training Manual can be found behind the Training link on the website home page.
